A Winner has been found for the New Zealand IYA 2009 Secondary Schools Poster Competition

On behalf of the New Zealand International Year of Astronomy 2009 team, we would like to congratulate ***Jerry Liu from Botany Downs Secondary School*** in Auckland for winning the IYA 2009 Secondary Schools Poster Competition.

We are sure you will all agree that his poster is a deserving winner of this competition. It is simple but stylish and gives a very different perspective to the Crux and Pointers.

Congratulations to Jerry and Botany Downs Secondary School
